

 Precision Brand Products**Copper Discs**

Using copper discs for drill vibration damping effectively reduces vibrations and boosts stability, ensuring smoother drilling operations.

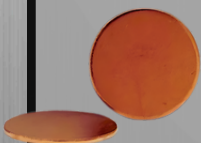

Part Number: 68920
Size: .040 x .605

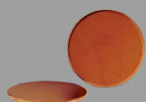

Part Number: 68921
Size: .020 x .540

Part Number: 68923
Size: .040 x .691

Part Number: 68924
Size: .020 x .480

Part Number: 68925
Size: .020 X .360

Key Benefits:**Vibration
